

Solar Schuyler

www.solarschuyler.com

Montour Falls Farmers Market: Come to the farmers market to meet Solar Schuyler Volunteers and Solar Ambassadors. Ride the energy bike and learn more about solar power!

Renovus Solar Presentation: A presentation by Jason Scarbrough, the Commercial Project Development Manager at Renovus Solar, for everyone: homeowners, businesses, and farmers. It will include solar farm updates from around the area.

Two Goats Solar Anniversary and Open House:

11AM-12PM - Solar Solutions for Businesses Workshop

12PM-8PM – Solar powered beer, music, food trucks and festivities!

Solar 101: "How do solar panels work?" "How much do they cost?" "What if my house is too shaded for solar?" If you've been asking some of these questions, come find the answers and the options that could work for you at this introductory presentation.

Farm Bureau Picnic: Meet installers, get a preliminary assessment on your own solar installation, and find out more about how solar can work for you!
